## American Sign Language 15 (L2)

This is a *fun summer course* open to all students looking to earn credits towards high school completion!

The purpose of this course is to introduce the students to American Sign Language (ASL) and to the culture and community of Deaf people who use ASL.

- Students will be able to fingerspell the alphabet, develop a sign vocabulary base and will be able to engage in simple conversation in a guided environment.
- This is a fast paced, fun and extremely interactive class where students are in charge of much of their learning.
- Students will also have the opportunity to utilize various technology to support their ASL language learning.

Registration is now open:
